1. Comment. The troop trains were operated in connection with the field exercises of the 18th Mecz Div and 12th Gds Tk Div which were conducted simultaneously in the Wittstock troop training grounds area between 18 and 23 March 1955. 25X1
2. Comment. The troop trains belong to a movement of components of the 94th Gds Mtz Rifle Div to a division field exercise which probably began on 25 March 1955. The division was reinforced by corps troops of the IX Mtz Rifle Corps and, according to another report, by elements of the 20th Army Arty Brig from Brandenburg. Rail movements in conjunction with field exercises of several other divisions also included more than 25 troop trains. 25X1
